

Muirhead Dental Health - FEE GUIDE

APPOINTMENTS

During your first consultation, we will assess and give you a full picture of your dental health and fitness. This includes a preliminary discussion, taking of medical history, jaw joint check, oral cancer screen and (usually) some small x-rays.

Private Fee

£105

We recommend our plan to spread the cost of your on-going dental health checks and hygiene. A great way to ensure that you maintain your best dental health. It includes financial assistance with some dental emergencies/trauma. Reduction on some treatments*

From £9.98 per month

Dental Health Check, typically every 12 months. Nine point check of the health of your mouth and surrounding areas with discussions of the findings. Any small x-rays are included.

£54
included in plan

Hygienist appointment, for plaque control - the key to your dental health. Assessment of dental hygiene, thorough clean of teeth and gum margins, and advice on how to improve your homecare routine.

£56
included in plan

STANDARD TREATMENTS

The amount you pay is based on the complexity of any treatment, together with the materials you choose. You will receive an estimate before any treatment begins.

White fillings, made of composite for durability and a natural appearance.

£60-£160

Silver amalgam fillings, the traditional type of filling material, highly durable and versatile.

£50-£160

Root canal treatment. A complex but worthwhile treatment. Requires two appointments. An infected tooth can usually be saved by having the central pulp space cleaned and filled. The root-treated tooth may need a crown for additional strength.

£320 (£288*) Front Tooth
£420 (£378*) Premolar
£520 (£468*) Molar

Extraction.

£95

REPLACING A MISSING TOOTH OR TEETH

The varied prices reflect the intricacy of the work and don't indicate that one treatment is 'better' than another. What works for one person may not be the best for you. Your dentist will guide you in your decision making process to arrive at the most appropriate solution. Leaflets explaining the detail of specific treatments are available in reception.

Implant and crown. FREE Consultation. Standard cases - implants placed by John Muirhead. All other cases placed by our expert, Richard Anderson.

From £2650

Adhesive/Maryland Bridge. Permanently glued to the neighbouring tooth or teeth.

From £750
Plan price from £675

Metal partial denture. (chrome partial denture). Clips on to your natural teeth and is removed for your daily hygiene routine. This may be ideal where gaps outnumber your teeth or if your teeth are mobile.

From £710

Fixed Bridge. Requires extensive preparation of the neighbouring teeth but is very robust and permanent. (e.g. 3-tooth bridge £1869)

£623/ unit
Plan price £560/unit

Acrylic partial denture. A removable, versatile, low cost option.

From £290

Complete denture. These can be excellent if well designed - a great solution if your remaining teeth are very mobile. Can be secured with fixative or implants. Martin Page (Dip Clin Dent Tech RCS Eng) brings a new level of expertise for improved function and appearance.

Single £700
Set £1310

STRAIGHTER WHITER TEETH

Individual prices can be discussed at your FREE Consultation

Clear braces provided by our highly experienced **Invisalign dentist**, John Pearson. Invisalign technology uses transparent 'aligners' that are barely visible. www.invisalign.co.uk
